LOGS

PRESSURE SUIT FOR DRIVER (-49) ON DEPOT W/SLANT DCC-6-9-9
(VOUCHER 59-18030) HAS BEEN DECLARED UNECONOMICALLY ALTERABLE
BY CONTRACTOR. IN ADDITION TO AGE, NORMAL SEAM SLIPPAGE AND
SLIGHT, BUT MEASUREABLE BLADDER LEAKAGE, THERE ARE AREAS OF
FABRIC RUPTURE WHICH ARE OF A CRITICAL NATURE. CONTRACTOR
ADVISES THAT SINCE ALTERATIONS WERE ALSO REQUESTED IT WOULD
BE FALSE ECONOMY TO INVEST ADDITIONAL FUNDS AND STILL HAVE
COMPONENTS OVER 3 YEARS OLD. DIFFERENCE IN COST OF REPAIR
AND REPLACEMENT SUIT WILL BE NEGLIGIBLE. REQUEST DISPOSITION.
